PRESIDENTS REPORT

Our initial attempt to organize this group in 1979 wasn't very successful, but the results of our 1980 meeting are quite encouraging. We now have a total of 43 members, a slate of dedicated officers and a journal that should prove interesting to all New Jersey collectors.

My sincerest thanks go out to the Garden State Numismatic Association and Archie Black for providing us with the publicity, the meeting room at the Cherry Hill Convention, plus the advice and encouragement he was so generous with.

I would also like to thank all the officers and all those who participated in the Cherry Hill meeting. You all played a very important part in getting this group organized. I salute you all.

Although we are off to a great start, we still have a long way to go before we can rest on our laurels, so I urge each member to make an effort to enroll at least one fellow collector during the balance of 1980.

HELP

WE NEED A LOGO !!

To encourage you to take the time and effort to help our organization come up with a Logo, we will award the winning design with paid up dues for 2 years to the society.

Please keep in mind that the design should look good when reduced for Wooden nickels, business cards, etc, Lettering should be kept to a minimum.

If you use a date, the official founding date of our society is August 2, 1980 at Cherry Hill, N.J. The official name is New Jersey Exonumia Society and the official publication is the "Jerseyana".

INFORMATION NEEDED

Anyone having the H.H. Phillips Co. Philadelphia, Pa. Real Estate Token, offering Deed to one seashore lot in Cape May Terrace please check the Obv. To the right of the three large numbers there is a small letter hand punched on the token. If you have this token in your collection please let me know what letter is on it. THANK YOU.

THE EDITOR

EDITOR'S MESSAGE

Although this will not be a regular column, from time to time I will ask for help by way of suggestions or complaints or any ideas you may have to help the journal. This is my first crack at something like this and the mistakes no doubt will come like waves hitting our Jersey Shore. So bare with me until I get the hang of it.

I will list a few items that will help make everyone's job a little easier (I hope). All correspondence pertaining to the business affairs of the society should be addressed to Dennis, our secretary. But feel free to write to any of the officers at anytime. We're all here for the same purpose. Please check the Classified AD rules before sending in your ADs. Articles, news items and new issues from your area are needed. There is Treasurer's report in this issue, but will be in the future.

I would like to thank members Robert Hearn and Bill Dewey for the photos used in the format of the "JJ". I will try and change this with each issue. If you would like to see items from your area, I will need photos. Al Zaika has agreed to take photos AT COST. If you need help write him.

We have signed up some members that are looking for an area in our field to collect, plus they need information. We will try and help these members by running small articles on different items. So Rocco, let us know what those Sutler's tokens are all about, and George, what are you looking for in the Catholic Church Medals? Jack, what's new in elongateds? Stan, are they ever going to make SQUARE wooden nickels? We have some top notch collectors out there, and I hope to hear from all of you.

Best Regards,
Gary Patterson

Note: For those members who Jerry and I haven't seen, your membership card is included in with the "JJ".

AMUSEMENT TOKENS

If you collect these from the Jersey Shore be sure you check the edges before you sell off your dupes. Many are showing up with both the Plain & Reeded edge.

The initials VB found on many of the tokens are made by Van Brook of Lexington, Ky.

TRANSPORTATION TOKENS

There are less than 100 of these issued in New Jersey. It is almost impossible to complete the set, one must wait years before some of the rare tokens come on the market for sale. It is a tough and challenging area. Still, a nice collection can be assembled to represent the state.

CLASSIFIED ADS

PRESIDENTS REPORT

* * * * *

I'm pleased to report that the Society has made steady progress since our Cherry Hill, organization meeting. Membership is now 78 and still growing, thanks to the recruiting efforts of our dedicated members. The First Issue of JERSEYANA was published and Editor Patterson did a great job on his first endeavor, resulting in nothing but positive comments from the membership. Congratulations Gary, on a job well done.

With summer and the presidential election behind us, we can now devote more time and effort to our various hobby interests. May I suggest that you utilize this additional time to plan a future exhibit of your New Jersey exonumia. Dig out those hidden tokens & medals, start showing your material and allow fellow collectors the pleasure of viewing them.

In closing, I would like to wish you all and your loved ones, best wishes for a most happy and bountiful holiday season.

Sincerely,

al Zaiba

Reproduction

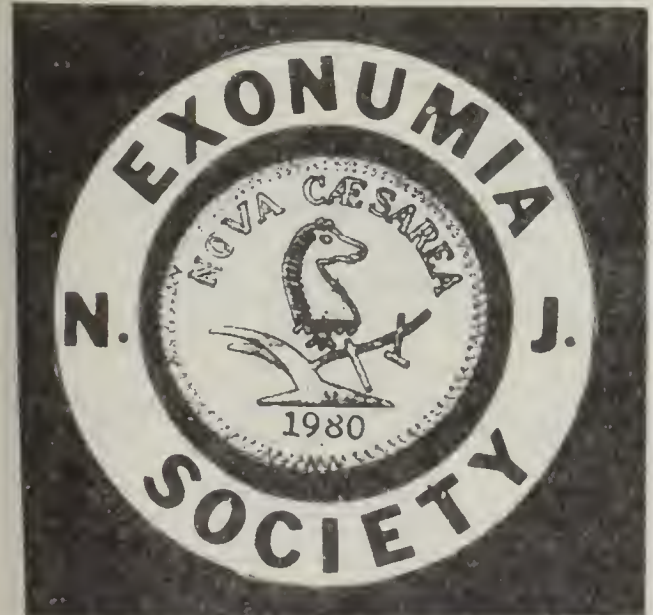

Subscribers to the N.J. Bell System recieved a bonus with their September bill for services. Along with the phone bill came a beautiful \$2 note, a reproduction of an 1863 engraving by the American Bank Note Company of N.Y. that stated that the Bank of Jersey City will pay on demand, TWO DOLLARS to the bearer.

Don't try to spend the note at your local store, it's only a re-production of the original note from the files of George W. Wait, Bloomfield, author of "New Jersey Money" published by the Newark Museum.

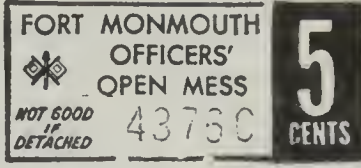

The monthly brochure tells a tale of life and times in N.J. digging into the history and folklore of the state's distant past.

Mr. Wait also contributed a photo collage of notes from the Salem Glass Works, a \$5 note from Perth Amboy, a \$1.50 note from Belvidere, a \$3 note from the Bank of Bloomfield and a 5¢ note from the City of New Brunswick.

Fort Monmouth was originally authorized in May 1917 and known as Camp Little Silver. The same year it was renamed Camp Vail in honor of Alfred Vail of Morristown. In 1925 it was redesignated Fort Monmouth. Included in Fort Monmouth are Camp Coles (now close down) Red Bank, Camp Evans at Belmar, and Camp Wood and the Lowther Area at Eatontown.
